Mr. Hamlin:

This letter is sent pursuant to Louisiana Revised Statute 44:1, et seq, and operates as formal public records request under Louisiana law. In accordance with Louisiana Revised Statute 44:31. I am requesting a copy of the notices of delinquencies sent in connection with the attached Tax Sale that was conducted by the City of Shreveport. More specifically, I want copies of the certified mail green cards that were sent prior to the attached tax sale to the tax debtor which accompanied the notice of delinquency. Additionally, I request *any* written evidence of the City's efforts to notify the property owner of the tax sale. Such records fall within the definition of a Public Record under Louisiana Revised Statute 44:1.

Since the attached tax deed was sold in the name of Alpine, Inc., I expect that the notices will reflect the same. Please include any and all other notices that may have been sent in connection with the attached tax sale *only*.

Please be advised that these records must be provided within five (5) business days pursuant to Louisiana Revised Statute 44:35. I look forward to hearing from you in the near future.

Yours truly,

Christopher J. Davidson
